## Absences and Tardies

Please be sure to provide a written explanation for all absences. Should you have any absences that you need to do so for, you may send the excuse to [office@leeparkprep.org](mailto:office@leeparkprep.org). To see our absence and tardy policy, please refer to pages 9-11 of our school handbook.

Being to class on time is important to the success of each student and the overall classroom. There are expectations from the state on our school related to seat time and excessive unexcused absences. Your assistance with this is greatly appreciated.
